

# Kelly Decker

President, Decker Communications

## Experience

When it comes to creating the optimal communication experience, Kelly Decker is the go-to thought leader. A keynote speaker, messaging expert and executive communication coach, Kelly unlocks potential in individuals—especially senior leaders. Kelly has teamed with many Fortune 500 companies to increase their communications impact. Whatever the challenge, Kelly will customize an intensive training to create better communication habits.

As President of Decker Communications, Inc., Kelly leads Decker's innovation efforts as the company continuously develops techniques to handle evolving business communication challenges. On top of serving as the mastermind behind Decker's program offerings, Kelly personally coaches executive leaders from companies like AT&T, Clorox, Informatica, Lithium, ServiceSource and Teradata to increase their impact and influence.

Kelly is frequently invited to speak on how to create influential communication experiences, and has been a featured speaker at conferences and events for companies including Clorox, Microsoft, Newmark Grubb Knight Frank, Pfizer, United Health Group and Wells Fargo. She has also been featured in *The Wall Street Journal* and *Marketwatch*.

Prior to joining Decker Communications, Kelly worked for The Alexander Group Inc., a boutique sales management consulting firm. She worked as a consultant across various industries to develop and implement advanced sales growth solutions for her clients. Kelly also spent more than five years in various sales management and sales operations positions in the telecommunications industry.

## Education

Master of Business Administration, Haas School of Business, University of California at Berkeley  
Bachelor of Science, Psychology, California Polytechnic State University at San Luis Obispo

## About Decker Communications, Inc.

Decker Communications consults and trains businesses in communications—both in what they say and how they say it. Decker programs are transformational, creating focus and confidence to help leaders close the deal, launch an initiative or motivate action. Since 1979, Decker has prepared individuals to create the most effective communications experience possible. For more information, visit <http://decker.com>.
